

THE KINDNESS ROCKS PROJECT

<https://www.thekindnessrocksproject.com/>

STEP #1 YOU WILL NEED SOME ROCKS (Flat smooth river rocks) Check your local craft store, garden center, or Amazon. The 1.5" to 3" size works best!

STEP #2 PAINT THE ROCKS- (USE NON-TOXIC PAINT)

This will prepare the rock surface for your artwork/writing and seal the rock so your paint pens will last longer. List of supplies below.

STEP #3 PAINT PENS TO CREATE YOUR ARTWORK

BE SURE TO ADD...#THEKINDNESSROCKSPROJECT to the back of each rock you drop so others can join. **DO NOT ADD STICKERS OR GOOGLE EYES TO YOUR ROCKS AS THEY CAN HARM ANIMALS**

STEP #4 TOPCOAT YOUR ART W/ NON-TOXIC CLEAR SEALANT

This will protect the artwork from the elements. You can also coat with Duraclear brush on sealant or Krylon clear acrylic spray. This will typically dry in 10 minutes or less.

WHERE DO I FIND INTERESTING, INSPIRING QUOTES TO USE?
